

**Losers**

**The Forecast**

this sounds pretty close to me i know some parts may differ slightly also there are lead parts that i didn t tab.

Chords\* (please note i don t know the proper names to all these chords do i ll just call them by their root note)

**C-** x32013

**F-** xx3213

**A-** x02213

**D-** xx0213

intro: **C**

Verse:

**C**

city lights are fading...

**F A D**

Good dropped out of our little

**C**

town so let the

**F A D F**

dust roll out i ll sit around

**F A D F**

We can meet up at Rodel s and have a round

**F A D F**

I promise we can put a couple down

**F A D F**

and when were bored we can head across town

**A D C**

where our friends will be at losers hanging out
