

**Jon And Sue
The Frank And Walters**

JON & SUE: FRANK AND WALTERS

From the Album: Trains, Boats and Planes
Tabbed by Tcoldsteel

I haven't seen this one tabbed anywhere so I thought I'd have a go.

Like all the Frank's song this is mostly Bass driven but with electric guitar strokes
the phrases.

I spent ages trying to match the chord strokes to the lyrics but once I put it
on UG it
all wonky.

Listen to the song to get a feel for what I mean.

I play this with all open chords.

Enjoy.
