

Everybody Knows You Cried Last Night
The Fratellis

~~~~~

This is my second tab, Fratellis again. I suggest if your playing this alone you try guitar 1 and guitar 2 until you come up with something that sounds decent.

~~~~[Guitar 2]~~ (play these chords barred)

C

Whistle for the boys now don t be shy
Give us all a song and a reason why
Baby got the bones and a hand me down
Says her heart is black but her eyes are brown

F

Give the boys a flash and they ll love you so

C

Give the girl some cash cause your mother said so

E

And take em out to look at the queen
And any old girl who s in between

Am G#m G F#m

Lay yourself down by the side of the bed

Am G#m G F#m

Oh you naughty girl you know you tickle me red

Am G#m G F#m

You look so dumb and you sound so twee

Am G#m G F#m

And you can only wish that you was married to me

F C²

Well, that s what you get

F C²

Oh don t get upset

F C²

Ridiculous you

E F

Waiting in the queue oh whoopee doo

F C²

You could have been

F C²

The best that I ve seen

F C²

Under the red light

D (8fret)F (10fret)G C

Everybody knows you cried last night

C
Give us all a go till your face turns red
Little Greg said you went home instead
If you stick around you ll get an alibi
And we ll try and keep your pretty face bone dry

E
Rent a honey rent a honey one two three

C
Chasing all the boys from your door cant be easy

E
Well ruby said you was wrecked
But your was never well behaved the last time I checked

Am G#m G F#m
Lay yourself down by the side of the bed
Am G#m G F#m
Oh you naughty girl you know you tickle me red
Am G#m G F#m
You look so dumb and you sound so twee
