

Milk And Money
The Fratellis

(intro) **C# Bbm**

C# Bbm

Tell me where you been to

C# Bbm

Point me to the door

Ebm G#

I ve seen you around

Ebm G#

But I really can t be sure

C# Bbm

And all the action men are busy

C# Bbm

Climbing up the wall

Ebm G#

Banging on the window

Ebm G#

Tearing down the hall

C#

And the last chance girl

C#7

In her first dance swirl

F#

Lays her head down on the wooden floor

F#m

Won t be dancing any more

C# F#7

And where do they go when the thrills have gone

C# F#7

The last song plays down in Babylon

C# F#7

Five hundred kids shout what s the deal?

C# F#7 G# G#7

It s a very confusing way to feel

C# Bbm

The radio is silent

C# Bbm

Except for wicked bands

Ebm G#

Sounded like the last one

Ebm G#

Always in demand

C# Bbm

And now the city is off limits

C# Bbm

To everyone in blue

Ebm G#

Nothings getting in there

Ebm G#

No-one s getting through

C#

And it s no surprise

C#7

When the last light dies

F#

And the girl upon the wooden floor

F#m

Won t be dancing any more

C# F#7

And where do they go when the thrills have gone

C# F#7

The last song plays down in Babylon

C# F#7

Five hundred kids shout what s the deal?

C# F#7 G# G#7

It s a very confusing way to feel
