Verse 1:

**D**                    **A**                    **D**                    **A**  
Well I m no sick boy, she s no hand me down,  
**D**                    **A**                    **D**                    **A**  
Went to London with a Red and Brown,  
**E**  
Ornamental Ruby ring, she said..  
**D**                    **A**  
Please tell me just one thing  
**D**                    **A**                    **D**                    **A**  
Was I a first-class nightmare, did I bring you down  
**D**                    **A**                    **D**                    **A**  
Was I mental, was I what you found  
**E**  
Filthy and cheap, I apologise  
**D**                    **A**  
Wont get jealous, wont kill other guys.

Chorus:

**D**                    **A**                    **E**  
Well she s not you, but you re not here, let s make it clear  
**D**                    **A**  
Well Nina said that she was leaving me so I stuck around for a beer

Verse 2:

**D**                    **A**                    **D**                    **A**  
Well I m no street kid, she s no pretty one  
**D**                    **A**                    **D**                    **A**  
Loved the bands and had a lot of fun  
**E**  
Said oh Sam My dearest won t you please  
**D**                    **A**  
Push me down another 10 degrees  
**D**                    **A**  
Psycho junkbox  
**D**                    **A**  
Rubber Filthy kid  
**D**                    **A**                    **D**                    **A**  
Made me jealous of a boy she did  
**E**  
Sat right down, double dancing me  
**D**                    **A**  
Underneath the baby dagger tree

Chorus 2:

**D**  
Stood by my wall

**A** **E**  
She may seem small, in No time at all,

**D**  
well Nina died in the bedroom

**A**  
And I went to cry in the hall

**D A D A D A D A E D A** (repeat)

**D**  
Well she s so you

**A**  
Too much for me

**E**  
was number 3

**D**  
eventually

**D** **A**  
I love it when you talk so filthy on the phone

**E**  
when I m not home

**D** **A**  
Come here my boy

**D**  
Get me some cheap gear,

**A** **E**  
Come and join us here, let s make it clear

**D** **A**  
Well Nina said she was leavin me so I stuck around for a beer

Chorus:

**D** **A** **E**  
Well she s not you, but you re not here, let s make it clear

**D** **A**  
Well Nina said she was leavin me so I stuck around for a beer
