Verso 1:

Well she s halfway over this hard on son
She s not gone yet but she s leaving
And she s quite sure she s not the only one
She s not gone yet but she s leaving
Well there s a quiver up her backbone, dogs in the dust
She s not gone yet but she s leaving
And she ll take what she needs and she ll do what she must
She s not gone yet but she s leaving

Refrão:

There s a raw bone whisper underneath the cover
Louder than a dead man s drum
There s a joke that they told her when she got much older
When she knew just what she d become

Oh let me tell ya that she s...

Verso 2:

One part evil, three-fifths blind

C#7	F#m
She s not gone yet but she s leaving	
F#m	Bm
And she s oh so delicate and still don t mind	
C#7	F#m
She s not gone yet but she s leaving	
F#m	Bm
Well there s a chance that she knows where the bodies are kept	
C#7	F#m
She s not gone yet but she s leaving	
F#m	Bm
And she still don t remember the tears that she wept	
C#7	F#m
She s not gone yet but she s leaving
