

**We Need Medicine Acoustic**  
**The Fratellis**

This is based on the acoustic cover of the song live at Indiependence 2013 and I have had to guess the lyrics as none were available

**C** - X32010  
**G** - 320010  
**F** - X03210

Capo 2

Intro is played with a C chord with the middle finger pulled on and off

**C**  
We need medicine and we need it now  
**G** **C**  
We need medicine and we need it now  
**C**  
We need medicine and we need it now  
**G** **C** **G**  
To get us to the end of time

**C**  
My souls on fire but my heart shes made of stone  
**F** **C**  
Id be a pure man if only I knew what parts were wrong  
**C**  
I dont believe in nothin that isnt shown  
**C** **G** **C** **G**  
Not the kinda man you trade back home

**C**  
We need medicine and we need it now  
**G** **C**  
We need medicine and we need it now  
**C**  
We need medicine and we need it now  
**G** **C** **G**  
To get us to the end of time

**C**  
I wont be happy till I dont have a friend  
**F** **C**  
I just cant convince myself of what I never comprehend  
**C**  
Im not a sinner I will face at the end  
**C** **G** **C** **G**  
But dont trust a single word I say

**C**  
We need medicine and we need it now  
**G** **C**  
We need medicine and we need it now  
**C**  
We need medicine and we need it now  
**G** **C** **G**  
To get us to the end of time

Break (improvise by playing around with each chord)  
**C, F, C, G x2**

**C**  
Im cryin tears while all my friends stand in line  
**F** **C**  
I ve seen more injustice than the broken hearted patron side  
**C**  
If I was them I would be no friend of mine  
**C** **G** **C** **G**  
I laughed when their walls came down

**C**  
Well you can buy me for a handfull of dust  
**F** **C**  
Im so cheap in gypsies only he will be where they must  
**C**  
Im only happy when gold turns to rust  
**C** **G** **C** **G**  
Its the kinda thing that makes my day

**C**  
We need medicine and we need it now  
**G** **C**  
We need medicine and oh my god we need it now  
**C**  
We need medicine and we need it now  
**G** **C** **G**  
To get us to the end of time  
**G** **C** **G**  
To get us to the end of time  
**G** **C** **G**  
To get us to the end of time  
**G** **C** **G**  
To get us to the end of time
