

**Absolute  
The Fray**

Bbsus                                  G#                          Fm                          G#  
I ve seen this one before, the girl she gets away  
Bbsus                                  G#                          Fm                          G#2  
Everybody knows it, but no one tries to stop it  
Bbsus                                  G#                          Fm    G#  
Cause she barely even knows him, but if she could see inside  
Bbsus                                  G#                          Fm    Eb  
Everything is quiet as she waits to tell him who she is

**Fm Cm D                          G# Eb D**  
Is this all we get, to be ab-so-lute

Bbsus                                  G#                                  Fm                                  Eb  
Quiet, but I m sure, there is something here  
Bbsus                                  G#                                  Fm                                  Eb  
Tell me everything, cause I want to hear

(**Fm Cm** in between)

Bbsus                                  G#                                  Fm                                  G#  
It s a kiss sits upon her lips that waits for planes and battle ships  
Bbsus                                  G#                                  Fm                                  G#2  
She wants to be a dancer and he has got a picture  
Bbsus                                  G#                                  Fm                                  G#  
On his wall, and it s a sailor in a new port every night  
Bbsus                                  G#                                  Fm    Eb  
Yet man was born to trouble like sparks fly upwards innocent

**Fm Cm D                          G# Eb D**  
Is this all we get, to be ab-so-lute

Bbsus                                  G#                                  Fm                                  Eb  
Quiet, but I m sure, there is something here  
Bbsus                                  G#                                  Fm                                  Eb  
Tell me everything, cause I want to hear  
Bbsus                                  G#                                  Fm                                  Eb  
Quiet, but I m sure, there is something here  
Bbsus                                  G#                                  Fm                                  Eb  
Tell me everything, cause I want to hear

Bbsus                                  G#  
All we are and all we want  
**Fm                                  Eb**  
40 years come and gone  
Bbsus                                  G#  
All we are in photographs  
**Fm                                  Eb**

Will never be taken

Bbsus                    **G#**                    **Fm**                    **Eb**

Quiet, but I m sure, there is something here

Bbsus                    **G#**                    **Fm**                    **Eb**

Tell me everything, cause I want to hear

Bbsus                    **G#**                    **Fm**                    **Eb**

Quiet, but I m sure, there is something here

Bbsus                    **G#**                    **Fm**                    **Eb**

Tell me everything, cause I want to hear
