

Be Still
The Fray

Intro: G D Am Em C

G D Am Em
Be still and know that I m with you
G D C G
Be still and know that I am here
G D Am Em
Be still and know that I m with you
G D G
Be still, be still, and know

G D Am Em
When darkness comes upon you
G D C G
And covers you with fear and shame
G D Am Em
Be still and know that I m with you
G D G
And I will say your name

C Em
If terror falls upon your bed
G D
And sleep no longer comes
G D Am Em
Remember all the words I said
G D G
Be still, be still, and know

G D Am Em
And when you go through the valley
G D C G
And the shadow comes down from the hill
G D Am Em
If morning never comes to be
G D G
Be still, be still, be still

C Em
If you forget the way to go
G D
And lose where you came from
G D Am Em
If no one is standing beside you
G D G
Be still and know I am
