

Happiness
The Fray

C9 G Em7

Happiness

C9 G

is just outside my window

C9 G Em7

Would it crash

C9 G

blowing 80-miles an hour?

C9 G Em7

Or is happiness

C9 G

a little more like knocking

C9 G Em7

On your door,

C9 G

and you just let it in?

C9 G Em7

C9 G

C9 G Em7

Happiness

C9 G

feels a lot like sorrow

C9 G Em7

Let it be,

C9 G

you can?t make it come or go

C9 G Em7

But you are gone-

C9 G

not for good but for now

C9 G Em7

Gone for now

C9 G

feels a lot like gone for good

C9 G Em7

Happiness

C9 G

is a firecracker sitting on my headboard

C9 G Em7

Happiness

C9 G

was never mine to hold

C9 G Em7

Careful child,

C9 G

light the fuse and get away

C9 G Em7

Cause happiness

C9 G
throws a shower of sparks

C9 G Em7

C9 G

C9 G Em7
Happiness

C9 G
damn near destroys you

C9 G Em7
Breaks your faith

C9 G
to pieces on the floor

C9 G Em7
So you tell yourself,

C9 G
that's probably enough for now

C9 G Em7
Happiness

C9 G
has a violent roar

C9 G Em7

C9 G x2

C9 G Em7
Happiness

C9 G
is like the old man told me

C9 G Em7
Look for it,

C9 G
but you'll never find it all

C9 G Em7
But let it go,

C9 G
live your life and leave it

C9 G Em7
Then one day,

C9 G
wake up and she'll be home

C9 G Em7
Home,

C9 G
home,

C9 G
home

C9 G Em7
home
