I Can Barely Say
The Fray

[Intro] **G F C9 Cm7 F**

G   **F**   **C9**
I said I told you everything but I left something out
        Cm7   **F**
Underneath the stairwell
G   **F**   **C9**
That I m under lock and key, but you can probably tell
            Cm7   **F**
A powder keg in a prison cell

Am7   **D9**   **Em**   **C9**
  I wanna return but all you will do is turn to leave
Am7   **D9 Ebm**   **Em**   **C**
  If I can find my way home, will you take hold of me?

              G
I ve been gone so long
        D9
I can barely say
              Em   **C**
All I know is now I want to stay
          G   **D9**
Has it been too long since I went away?
                    Em   **C**   **G** **F** **C9** **Cm7** **F**
Cause I m trying to find the words but I can barely say

G   **F**
Well I used to be the sun
            C9   **Cm7**   **F**
Waiting silently but they barely noticed me
G   **F**   **C9**   **Cm7**   **F**
But I ve been talking in my sleep when anybody sees they turn and run from me

Am7   **D9**   **Em**   **C9**
  I wanna return but all you will do is turn to leave
Am7   **D9 Ebm**   **Em**   **C**
  If I can find my way home, will you take hold of me?

              G
I ve been gone so long
        D9
I can barely say
              Em   **C**
All I know is now I want to stay
          G   **D9**
Has it been too long since I went away?

```
                           Em                      C
Cause I m trying to find the words but I can barely say

Am7             D9
   I wanted to run
                 Em                        Am7
I wanted to love and be loved in return
                         D9   Ebm    Em              C
But will I ever get back, do I know too much to return

( G   F   C9   Cm7   F )

                G
I ve been gone so long
         D9
I can barely say
               Em                  C
All I know is now I want to stay
           G                     D9
Has it been too long since I went away?
                      Em                    C       Cm7
Cause I m trying to find the words but I can barely say

( G   F   C9   Cm7   F   G )
```
