

I Look After You
The Fray

D **A** **G** **A**
If I dont say this now I will surely break
D **A** **G** **A**
as i am leaving the one i wanna take
D **A** **G** **A**
forgive the urgency but hurry up and wait
D **A** **G** **A**
my heart has started to separate

D **A**
oh oh
G **A**
be my baby

D **A**
oh oh
G **A**
oh oh oh oh

D **A** **G** **A**
oh oh be my baby
E **G** **A**
and ill look after you

The second verse is done the same way
when i seen him play it he was by himself and he did a regular four count finger
picking
no this is not the key he plays in but it is very easy to transpose if you use a
seven
calendar or a capo ill let yall figure out the bridge but it is very easy it
involves
same chors used here and a Bm enjoy
