

Over my Head (Cable Car)  
The Fray

**Bb**  
I never knew  
**Dm F Bb**  
I never knew that everything was falling through  
**Dm F Bb**  
That everyone I knew was waiting on a queue  
**Dm F Gm F C**  
To turn and run when all I needed was the truth  
**Bb**  
But that s how it s got to be  
**Dm F Bb**  
It s coming down to nothing more than apathy  
**Dm F Bb**  
I d rather run the other way than stay and see  
**Dm F Gm F C**  
The smoke and who s still standing when it clears

[Refrão]

**Bb F Dm C**  
Everyone knows I m in  
**Bb F Dm C**  
Over my head, over my head  
**Bb F Dm C**  
With eight seconds left in overtime  
**Bb F Dm C**  
She s on your mind, she s on your mind

( **Bb Dm C** )  
( **Bb Dm C** )

**Bb**  
Let s rearrange  
**Dm F Bb**  
I wish you were a stranger I could disengage  
**Dm F Bb**  
To say that we agree and then never change  
**Dm F Gm F C**  
Soften a bit until we all just get along  
**Bb**  
But that s disregard  
**Dm F Bb**  
You find another friend and you discard  
**Dm F Bb**  
As you lose the argument in a cable car  
**Dm C Gm F C**  
Hanging above as the canyon comes between

[Refrão]

**Bb F Dm C**  
Everyone knows I m in  
**Bb F Dm C**  
Over my head, over my head  
**Bb F Dm C**  
With eight seconds left in overtime  
**Bb F Dm C**  
She s on your mind, she s on your mind

**Bb F Dm C**  
Everyone knows I m in  
**Bb F Dm C**  
Over my head, over my head  
**Bb F Dm C**  
With eight seconds left in overtime  
**Bb F Dm C**  
She s on your mind, she s on your mind

[Ponte]

**Bb Dm C Bb**  
And suddenly I become a part of your past  
**Dm C Bb**  
I m becoming the part that don t last  
**Dm C Gm**  
I m losing you and its effortless

**Bb Dm C**  
Without a sound we lose sight of the ground  
**Bb**  
In the throw around  
**Dm C Bb**  
Never thought that you wanted to bring it down  
**Dm C Gm**  
I won t let it go down till we torch it ourselves
