

Over my Head (Cable Car)
The Fray

D
I never knew
F#m A D
I never knew that everything was falling through
F#m A D
That everyone I knew was waiting on a queue
F#m A Bm A E
To turn and run when all I needed was the truth
D
But that's how it's got to be
F#m A D
It's coming down to nothing more than apathy
F#m A D
I'd rather run the other way than stay and see
F#m A Bm A E
The smoke and who's still standing when it clears

[Refrão]

D A F#m E
Everyone knows I'm in
D A F#m E
Over my head, over my head
D A F#m E
With eight seconds left in overtime
D A F#m E
She's on your mind, she's on your mind

(D F#m E)
(D F#m E)

D
Let's rearrange
F#m A D
I wish you were a stranger I could disengage
F#m A D
To say that we agree and then never change
F#m A Bm A E
Soften a bit until we all just get along
D
But that's disregard
F#m A D
You find another friend and you discard
F#m A D
As you lose the argument in a cable car
F#m E Bm A E
Hanging above as the canyon comes between

[Refrão]

D A F#m E
Everyone knows I m in
D A F#m E
Over my head, over my head
D A F#m E
With eight seconds left in overtime
D A F#m E
She s on your mind, she s on your mind

D A F#m E
Everyone knows I m in
D A F#m E
Over my head, over my head
D A F#m E
With eight seconds left in overtime
D A F#m E
She s on your mind, she s on your mind

[Ponte]

D F#m E D
And suddenly I become a part of your past
F#m E D
I m becoming the part that don t last
F#m E Bm
I m losing you and its effortless

D F#m E
Without a sound we lose sight of the ground
D
In the throw around
F#m E D
Never thought that you wanted to bring it down
F#m E Bm
I won t let it go down till we torch it ourselves
