

Over My Head
The Fray

C
I never knew
Em D C
I never knew that everything was falling through
Em D C
That everyone I knew was waiting on a queue
Em D Am G D
To turn and run when all I needed was the truth
C
But that's how it's got to be
Em D C
It's coming down to nothing more than apathy
Em D C
I'd rather run the other way than stay and see
Em D Am G D
The smoke and who's still standing when it clears

Hanging above as the canyon comes between
