

Trust Me
The Fray

Bb **Dm**
Looking for something I ve never seen
F **Bb**
Alone and I m in between
Bb **Dm**
The place that I m from and the place that I m in
F **Bb**
A city I never been
Bb **Dm**
I found a friend or should I say a foe
F **Bb**
Said there s a few things you should know
Bb **Dm**
We don t want you to see we come and we go
F **Bb**
Here today, gone tomorrow

Bb
We re only taking turns
Dm **F**
Holding this world
Bb
It s how it s always been
Dm **F** **Bb**
When you re older you will understand

Dm **F** **Bb**

Bb **Dm**
If I say who I know it just goes to show
F **Bb**
You need me less than I need you
Bb **Dm**
Take it from me we don t give sympathy
F **Bb**
You can trust me trust nobody
Bb **Dm**
But I said you and me we don t have honesty
F **Bb**
The things we don t want to speak
Bb **Dm**
I ll try to get out but I never will
F **Bb**
Traffic is perfectly still

Bb
We re only taking turns

Dm **F**
Holding this world

Bb
It s how it s always been

Dm **F** **Bb**
When you re older you will understand

Dm **F** **Bb**
And then again maybe you don t

Dm **F** **Bb**
And then again maybe you won t

Dm **F** **Bb**
When you re older you might understand

Dm **F** **Bb**
When you re older you might understand
