

Trust Me
The Fray

G **Bm**
Looking for something I ve never seen
D **G**
Alone and I m in between
G **Bm**
The place that I m from and the place that I m in
D **G**
A city I never been
G **Bm**
I found a friend or should I say a foe
D **G**
Said there s a few things you should know
G **Bm**
We don t want you to see we come and we go
D **G**
Here today, gone tomorrow

G
We re only taking turns
Bm **D**
Holding this world
G
It s how it s always been
Bm **D** **G**
When you re older you will understand

Bm **D** **G**

G **Bm**
If I say who I know it just goes to show
D **G**
You need me less than I need you
G **Bm**
Take it from me we don t give sympathy
D **G**
You can trust me trust nobody
G **Bm**
But I said you and me we don t have honesty
D **G**
The things we don t want to speak
G **Bm**
I ll try to get out but I never will
D **G**
Traffic is perfectly still

G
We re only taking turns

Bm **D**
Holding this world

G
It s how it s always been

Bm **D** **G**
When you re older you will understand

Bm **D** **G**
And then again maybe you don t

Bm **D** **G**
And then again maybe you won t

Bm **D** **G**
When you re older you might understand

Bm **D** **G**
When you re older you might understand
