**Bbm7** **C#** **Bbm7** **C#maj9**

**F#** **C#**  
silhouette til the good lord comes

All we know is distance  
**Bbm7** **F#sus2** **F#** **C#**

Weâ€™re close and then we run

**Bbm7 F#sus2 F# C#**

Kiss away the difference

**Bbm7 F#sus2 F# C#**

I know you hate this one

**Bbm7, C#, Bbm7, F#, C# (2X)**

[Verse]

Trying not to lose your own,  
boxing up everything, youâ€™ve got  
All you ever knew of home,  
youâ€™re scared scared to see

[Pre-Chorus]

Your mother there in the door,  
you wonder where did the years go

[Chorus]

All we know is distance  
Weâ€™re close and then we run  
Kiss away the difference  
I know you hate this one  
But this is how the story ends  
Or have we just begun  
To kiss away the difference  
I know you hate this one

[Bridge]

**F# Bbm7 C#maj9 C# F#**  
The violins make no sound  
**F# Bbm7 C#maj9 C# F#**  
And I begin to feel the ground

[Chorus]

All we know is distance  
Weâ€™re close and then we run  
Kiss away the difference  
I know you hate this one  
But this is where the story ends  
Or have we just begun  
To kiss away the difference  
I know you hate this one

End on **C#**
