[Verse]

Trying not to lose your own,  
boxing up everything, youâ€™ve got  
All you ever knew of home,  
youâ€™re scared scared to see

[Pre-Chorus]

Your mother there in the door,  
you wonder where did the years go

[Chorus]

All we know is distance  
Weâ€™re close and then we run  
Kiss away the difference  
I know you hate this one  
But this is how the story ends  
Or have we just begun  
To kiss away the difference  
I know you hate this one

[Bridge]

**E G#m7 Bmaj9 B E**  
The violins make no sound  
**E G#m7 Bmaj9 B E**  
And I begin to feel the ground

[Chorus]

All we know is distance  
Weâ€™re close and then we run  
Kiss away the difference  
I know you hate this one  
But this is where the story ends  
Or have we just begun  
To kiss away the difference  
I know you hate this one

End on **B**
