Trying not to lose your own,
boxing up everything, youâ€™ve got
All you ever knew of home,
youâ€™re scared scared to see

Your mother there in the door,
you wonder where did the years go

[Chorus]

All we know is distance

Kiss away the difference

But this is how the story ends
Or have we just begun
To kiss away the difference
I know you hate this one

[Bridge]

G Bm7 Dmaj9 D G

The violins make no sound

G Bm7 Dmaj9 D G

And I begin to feel the ground

[Chorus]

All we know is distance
Weâ€™re close and then we run
Kiss away the difference
I know you hate this one
But this is where the story ends
Or have we just begun
To kiss away the difference
I know you hate this one

End on **D**
