

Stupid Love Letter
The Friday Night Boys

CAPO ON 1

C **Am**
Cupid shot me in the eye
C **Am**
So they say that love is blind
F
Is she gonna say Yes
G
Is she gonna say No
Am **C**
Whats she gonna say, day, way
C
Am I moving too fast
Am
Am I thinking too slow
F G
I just wanna know Ohh

C
So I took all night to write this
Am
Stupid love letter to you
F G
(yeah you from me to you)
C
All the time that I wasted on this
Am
Stupid love letter to you
F G
(f*** you from me to you)
C Am F G
You said no no
C Am F G
You said no no
(so I took all night to write this
stupid love letter to you)

Same pattern for whole song=]

Pick your heart up off the floor
Leave good intentions at the door
Is she gonna say yes
Is she gonna say no

What s she gonna say, day, way
Am I moving too fast
Am I thinking too slow
I just wanna know Ohh

So I took all night to write this
Stupid love letter to you
(yeah you from me to you)
All the time that I wasted on this
Stupid love letter to you
(f*** you from me to you)
You said no no
You said no no
(so I took all night to write this
stupid love letter to you)

Too late all the damage is done Ohh
There s no reason to stand up

So I took all night to write this
Stupid love letter to you
(yeah you from me to you)
All the time that I wasted on this
Stupid love letter to you
(f*** you from me to you)
You said no no
You said no no
(so I took all night to write this
stupid love letter to you)
