Intro: F, Am, Dm, A#

F  
The first time I won t regret  
Am  
I ll look into your eyes and I ll never forget  
Dm A#  
You re not about to jump right into this tonight  
F  
I m wondering just what to do  
Am  
Every single second in the room with you  
Dm A# C  
I can t talk this over, to win you over here tonight

Gm  
So open your eyes  
A#  
Don t say goodnight  
F  
I m wondering why  
Am  
Alone tonight  
A# C  
I ll just let it go for you

Chorus:

F A#  
I m letting you down you were just hiding it so well  
Dm C A#  
Giving me no sign no interest well you don t really want this  
F  
You don t really want this right now  
A#  
Are you gonna try to save yourself  
Dm C A#  
I bet you re so sick of hearing it but you don t really want this now

**F**  
So hard to get is that what it s gonna be  
**Am**  
Sitting down not even looking at me  
**Dm** **A#**  
I hope forever I don t remember this tonight

**F**  
So out the door, gone away  
**Am**  
Running so fast through the pouring rain  
**Dm** **A#** **C**  
Gone forever so much better here tonight

**Gm**  
So open your eyes  
**A#**  
Don t say goodnight  
**F**  
I m wondering why  
**C**  
Alone tonight  
**A#** **C**  
I ll just let it go for you

[Chorus]

**Gm** **A#**  
I d throw it all away for you, if you  
**F** **C**  
took another look you d be back so soon  
**Gm** **A#**  
All alone, dark cold night  
**F** **C**  
Wrapped around you better hold on tight

[Chorus]
