Intro: **F#**, **Bbm**, **Ebm**, **B**

F#
The first time I won t regret
Bbm
I ll look into your eyes and I ll never forget
Ebm   **B**
You re not about to jump right into this tonight
F#
I m wondering just what to do
Bbm
Every single second in the room with you
Ebm   **B**   **C#**
I can t talk this over, to win you over here tonight

G#m
So open your eyes
B
Don t say goodnight
F#
I m wondering why
Bbm
Alone tonight
B   **C#**
I ll just let it go for you

Chorus:
                F#   **B**
I m letting you down you were just hiding it so well
        Ebm   **C#**   **B**
Giving me no sign no interest well you don t really want this
                            F#
You don t really want this right now
            B
Are you gonna try to save yourself
      Ebm   **C#**   **B**
I bet you re so sick of hearing it but you don t really want this now

F#
So hard to get is that what it s gonna be
Bbm
Sitting down not even looking at me
Ebm   **B**
I hope forever I don t remember this tonight
F#
So out the door, gone away
Bbm
Running so fast through the pouring rain
Ebm   **B**   **C#**
Gone forever so much better here tonight

G#m
So open your eyes
B
Don t say goodnight
F#
I m wondering why
C#
Alone tonight
B   **C#**
I ll just let it go for you

[Chorus]

G#m   **B**
I d throw it all away for you, if you
F#   **C#**
took another look you d be back so soon
G#m   **B**
All alone, dark cold night
F#   **C#**
Wrapped around you better hold on tight

[Chorus]
