Intro: G, Bm, Em, C

G
The first time I won t regret
Bm
I ll look into your eyes and I ll never forget
Em C
You re not about to jump right into this tonight
G
I m wondering just what to do
Bm
Every single second in the room with you
Em C D
I can t talk this over, to win you over here tonight

Am
So open your eyes
C
Don t say goodnight
G
I m wondering why
Bm
Alone tonight
C D
I ll just let it go for you

Chorus:

G C
I m letting you down you were just hiding it so well
Em D C
Giving me no sign no interest well you don t really want this
G
You don t really want this right now
C
Are you gonna try to save yourself
Em D C
I bet you re so sick of hearing it but you don t really want this now

G

So hard to get is that what it s gonna be

Bm

Sitting down not even looking at me

Em

C

I hope forever I don t remember this tonight

G

So out the door, gone away

Bm

Running so fast through the pouring rain

Em

C D

Gone forever so much better here tonight

So open your eyes

C

Don t say goodnight

G

I m wondering why

D

Alone tonight

C

D

I ll just let it go for you

[Chorus]

Am

C

I d throw it all away for you, if you

G

D

took another look you d be back so soon

Am

C

All alone, dark cold night

G

D

Wrapped around you better hold on tight

[Chorus]
