Verse 2

D
Sit and stare, I wonder what you're thinking
A
Sweat falls down, my stomach starts sinking
G **D** **A**
Where are you? I'm patiently waiting.. (wait up)

D
Just last night you said you didn't love me
A
Well that's alright, I know that you're above me
G **D** **A**
Memories past, they're flooding around me.. (wait up)

Pre-chorus

Em **G**
I'm wondering why, why did I do it?
D **A**
And watching you cry, can barely get through it
Em **G** **A**
I'm sorry I swear, I'm sorry for what I did

Chorus

G
I'm living proof, broken and defeated
A
I'm the shattered youth and no one can believe it
G **D** **A**
If I can't have you, then darlin' I just can't go on

G
And if I swear, swear to make it better
A
Would you stick around, I know that it will never
G **D** **A**
Be the way it was, but maybe we can make this right
Em **G** **A** **Em** **A** **D**
Time stands still, if you stay, I will

Bridge

D **A**
I wanted to tell, tell you my secrets
G
I want you to know, know I believe this
D **A** **G**
I wanted to tell, tell you everything

D **A**
I wanted to tell, tell you my secrets,
G
I want you to know, know I believe this
D **A** **D**
I wanted to tell, tell you everything

Chorus

D
I m living proof, broken and defeated
A
I m the shattered youth and no one can believe it
G **D** **A**
If I can t have you, then darlin I just can t go on

G
And if I swear, swear to make it better
D **A**
Would you stick you around, I know that it will never
G **D** **A**
Be the way it was, but maybe we can make this right

D A G

D A G
So let it go....

D **A**
So get up, get up, get up, it s deep inside of you
G
Now wake up, wake up, wake up, it s deep inside of you
D **A** **G**
So get up, get up, get up, it s deep inside of...
