My Forever Acoustic The Friends You Never Had

Capo:1

Intro: G Em C D

G Em

The sky might not stay this blue forever

C 1

But I ll still keep you here with me $\,$

The water might not stay like glass forever

But I ll still keep you here with me

G

Hard times will come

Em

and fear will follow

And I will hold you all night long

G

When we wake in the morning

Em

I will tell you that we ll make it

C D

And I ll sing you a verse from this song

G En

The birds might not sing like this forever

C D

But I still want you by my side

G Em

The clouds might open up and pour down their rain

C

I ll to my best to keep you dry

G Em

And when your heart is breaking and you cant go another step

C D

I ll walk beside you and I ll pray

G Em C

that the one who loves you more than I will carry you places that I cant.

D

And he will help me keep you safe.

G Er

The sun might not shine like this forever

C :

I ll do the best that I can do

G Em
Life might not be this bright forever
C D
But I know I want to spen it all with you

G

You are my forever

Em

You are my forever

C

You are my forever.

G
