The Front Bottoms**

This Swimming Pool by the Front Bottoms.

[Verse 1]

C#5 **A5** **B5**
There s comfort in the bottom of a swimming pool
E **A5**
I m holding my breath for you
C#5 **A5** **B5**
There s no doubt in my mind that if you could then you would try
E **A5**
To crack my ribcage open and pull my heart right through

Interlude: **C#5, A5, B5** (x3)

C#5 **A5** **B5**
There s comfort in the bottom of a swimming pool

A5
To crack my ribcage open and pull my heart right through

[Chorus]

F#5 **G#5** **A5** **E5**
But I m a creature of a culture that I create
F#5 **G#5** **A5**
I m the last one on the dance floor
E5
As the chandelier gives way
F#5
And I am permanently
G#5 **A5**
Preoccupied with your past
F#5 **G#5** **A5** **E5**
I ve been around long enough now
To know that the good things never last
(**C#5**)
They never last.
(Last)
