

You Wouldnt Be Laughing
The Front Bottoms

Tuning: Standard

[Verse 1]

D5
I made a list of all the friends that I
G5
never want to see again and I am
C5
sorry but your name fell below every
G5
single one of them
D5
High school is over and I ve wasted too much time
G5
making sentences with words just because they rhyme. You wouldn t
C5
smile if you knew how I felt about
G5
every single one of you

[Chorus]

B5
so stop please I want to go home
F#5
but if i do i know these guys aren t gonna leave you alone
B5
and it s my world that doesn t mean much,
G5 **A5**
but I hate your friends and their influence
B5
I m going crazy I lost my mind
F#5
but this basement scene s left me so far behind
B5
Shutdown, lose everything,
G5 **A5**
forget what you know, believe what you see

[Verse 2]

D5
now that it s over things are a little bit awkward
G5
avoiding all the spots so i won t have to talk to her
C5
sorry for playing the dickhead role
G5
when all you ever really needed was a hand to hold

D5

and i thought that you d be the one thing that i could

G5

take home from all of this

C5

G5

i was wrong (i was wrong)

[Chorus]

B5

so stop please I want to go home

F#5

but if i do i know these guys aren t gonna leave you alone

B5

and it s my world that doesn t mean much,

G5

A5

but I hate your friends and their influence

B5

I m going crazy I lost my mind

F#5

but this basement scene s left me so far behind

B5

Shutdown, lose everything,

G5

A5

forget what you know, believe what you see
