Fallout
The Futureheads

Seeing as nobody competent at guitar wants to tab this, i ll give it a go.
Lyrics from
album book thing.

Song: Fallout (track 3)
Artist: The Futureheads
Album: News and Tributes

Intro: (Listen to the song for timing and strumming pattern)

D (Bash at this) , **A**,**A**,**A**,**A** (just

 A,**A**,**A**,**A** (just downstrokes) (x2)

Verse:

D
if we have to fallout we should fall out together,
A(Downstrokes)
Because we ll have to find a shelter,
G   **D**   **G**   **D**
And stay in the shelter
A
It s safe in the shelter,
D
The fall was hard the fall was hard,
A
The out was in,
G   **D**   **G**   **D**
invisible to you,
A
What a miserable excuse,

Chorus:
        D
After Days in the dark,
A
The light broke through,
            G   **D**
And it was beautifal to see you
A
And sit in the warm with you

-Verse stays the same, as does the chorus. For The kind of solo fill thing i do
like this:

```
e-----------12-10------------|
b---12-10---------12-10--7-5-|
```
