(Verse)When I was a child, running in the night, i was afraid of what might be  
Hiding in the dark and hiding on the street, and of what was following me

(Chorus)The hounds of love are calling  
I ve always been a coward, and I don t know what s good for me

Well here I go,it s coming at me through the trees  
Help me, someone, help me, please  
Take my shoes off, and i will throw them in the lake, and I will be,  
two steps on the water  
I found a fox, who was caught by dogs, he let me take him in my hands  
His little heart, it beat so fast  
And I m ashamed to be running away  
From nothing real, i just can t deal with this  
I feel ashamed to be there

Among your hounds of loving  
And feel your arms surround me  
I ve always been a coward, and i dont know what s good for me

Oh, here I go, don t let me go, hold me down  
It s coming at me through the trees  
Help me, someone, help me, please  
Take my shoes off, and i will throw them in the lake, and I will be,  
two steps on the water  
And I will be, two steps on the water  
Do you know what I need, do you know what I need,  
i need love love love love love,yeah  
Take your shoes off, and throw them in the lake,  
and I will be, two steps on the water  
Do you know what I need, do you know what I need,  
i need love love love love love, yeah

Do you know what I need, do you know what I need,  
i need love love love love love, yeah
