

Stella

The Galvatrons

First verse just with Piano and Vocal

Whole band comes in on C

F **G**
And i dont know if she s in love

C
She s in town

F **G**
And i dont know if she s in love

C
She s in town

F
hey stella your alright

C
hey stella your alright

F **G**
hey stella your alright

F **G**
Stella you dont have to go to work tonight

E **F**
They said its slow so that should be alright

F **G**
I stole the key so lets just run away

E **F** **C**
I ll light a cigarette if you think thats ok

F **G**
and i dont know if she s in love

C
she s in town

F **G**
and i dont know if she s in love

F
she s in town

C
stella dont you know its never to late to call

D
stella dont you know that i would risk it all

F **G**
just to see you strutting on my street

C
hey stella your alright

F

hey stella your alright

C

hey stella your alright

F

hey stella your alright

C

Ooh ooh ooh ooh

ooh ooh ooh ooh

C **F**

ooh ooh ooh ooh

C **F** build up on **F** Cut off Drum Fill

ooh ooh ooh ooh

C

F

Hey stella Your alright

C

Hey stella your alright

F

G

Hey stella your alright

F

G

Stella your so young that you dont understand

E

F

What it is that keeps you feeling sad

F

G

And things are never gonna be the same

E

F

break of the **F**

Try and help you work it out one day

Vocals and Piano Finish off the song together
