

Pot Of Gold Ft Chris Brown
The Game

Bm **D** **G** **F**
All this bright light is not for me

Bm **D** **G** **F**
I close my eyes and imagine Im home!

Bm **D** **G** **F**
I miss the days when life was simple,

Bm **D** **G** **F**
But if I never try to follow that rainbow

Bm
In search for the pot of gold!

D **G** **F**
Oh, oh, oh!

Bm
In search for the pot of gold!

And then the rest of the song is the same chords in the same order and same pattern :)
