Intro: **A# A# G G**

**A#**

I ve been fondling with your heart strings,

**A#**

And that s good enough for me,

**G**

And if I break over your house,

**G**

And I know I must been working,

**A#**

Trying hard to size my darling,

**A#**

See what man you can make of me,

**G**

I will eventually haunt you,

**G#**

And you ll eventually will be my queen,

Pre-chorus:

**D**

And I ve been with you through the dark,

**D#**

So let you I,

**F**

Go through the dark alone

**A# A#**

All alone

**G G**

Verse 2 - (Same as intro/verse 1)

I ve been down at Biloxi Parish,

And that s good enough for me,

I found that nothing truly matters,

That you cannot find for free,  
I love you more than can I tell you,  
When you pass from this world,  
I hope you ask to take me with you  
So I don't have to wait for long

Pre-chorus: (Same as Pre-chorus 1)  
But until then I'll be with you through the dark,  
Till then I'll be with you from the dark,

Chorus:

	<b>G</b>	<b>D#</b>	<b>A#</b>
Who else can say that about you, baby			
<b>F</b>	<b>G</b>	<b>D#</b>	<b>A#</b>
Who else can say that about you, now			
<b>F</b>	<b>G</b>	<b>D#</b>	<b>A#</b>
Who else can say all your blood and your curses			
<b>F</b>	<b>G</b>	<b>D#</b>	<b>A#</b>
Nobody I've seen a hanging around			
<b>F</b>			
Seen a hanging around			

Solo

Verse 3: (Same as intro/verse 1)  
I aint seen my home in half a year  
I miss my mother and my friends  
Please tell Will  
And I've been playing  
For all that troubles to finally end  
But When this whole thing is over  
And we land in asbury's arms  
And the bands all quiets down  
And it's you and me in the dark

Pre-Chorus:

I won't say nothing		
<b>D#</b>		<b>F</b>
Cuz that's how I know your heart

<b>F</b>	<b>G</b>	<b>D#</b>	<b>A#</b>
