

Casanova Baby
The Gaslight Anthem

The majority of TGA s songs are played in D tuning, DGCFA D and i prefer this tuning on my acoustic anyway so i m in luck.

These are the correct chords for the song Casanova, Baby! from The 59 Sound. This is the 1st tab i ve ever submitted, enjoy!

D TUNING

CASANOVA BABY!

[Intro] **C Am G** (x2)

[Verse 1]

C

Do you hear that whistle wail?

Am G

Think the end is coming in?

C

But I m a whole lot worse than well

Am G

But I m determined to slip this skin

C

And I know your dying for a good time

Am G F

Dying to breath again

Am G

Oh my my, Virginia

[Chorus]

C

We could run all night

F

And dance upon the architecture

C

Come and take my hand

F G

I ll do the very best I can

Am F

Boy, I still wanna be your man

C G Am F

Im still these nervous feet and heart of stone

C G C

Forget this dead mans town, I ll take you home

then **C Am G C Am G F Am G**

[Verse 2]

C

Do you hear me late at night?

Am

G

Always picking at the pieces

C

C C

Sometimes nothing comes out right

Am

G

And nothing is relieving

C

But every slow mans song

Am

G

F

Is a night I d like to spend with you

Am

G

Just twisting the night away

C

But it s past a quarter to three

Am

G

And it s past the midnight hour

C

Mustang Sally s left the building

Am

G

And we re so much worse without her

C

If I could put down this ol hammer

Am

G

F

I d take you somewhere new

Am

G

Oh my my, Virginia

[Chorus]

C

We could run all night

F

And dance upon the architecture

C

Come and take my hand

F

G

I ll do the very best I can

Am

F

Boy, I still wanna be your man

C

G

Am

F

Im still these nervous feet and heart of stone

C
