

Drive

The Gaslight Anthem

hey everyone,
a great song from there first album. There gonn be big. there also play at leeds festival.

i usally play songs on a acoustic guitar so these are just the chords.i play them as bar
i think this is pritty much right.

verse:

C

In my head

A

I am already gone

F

Side roads pointed up

C **G**

Decisions decided on

C

But in my nights

A

There are restless hours

F

3 AM goes down

C **G**

Nothing else comes up

chorus:

A

And the only thing we know

F

Is it s getting dark and we better go

C

And the only thing we say

G

Are the despairs of the day

A

And if you re too tired

F

Go to sleep, my brothers, I

C

And if you re too tired

G

Go to sleep, my brothers

I m alright to drive

same again. cheers
