[Verse 1]

C#
Mary, this station is playing every sad song
Bbm
I remember like we were alive
C#
I heard and sung them all from inside of these walls
Bbm
In a prison cell, where we spent those nights
C#
And they burned up the diner where I always used to find her
Bbm
Licking young boys blood from her claws
C#
And I learned about the blues from this kitten I knew
Bbm
Her hair was raven and her heart was like a tomb

[Pre-chorus]
