

High Lonesome
The Gaslight Anthem

these are the chords in standard tuning. great song.

A
So the ambulances came
Dm **G**
They took your pulse and packed up your things
A
And the papers read
C **G**
Some boys forget what the heart it brings
A
And the pounding in the street
Dm **C**
Was your heart in four four time
A
And the taste of defeat
C **G** **F** **G**
Was was never too far from your mind
Am **F** **C** **G**
And Maria came from Nashville with a suitcase in her hand
Am **F** **C** **G**
I always kinda sorta wished I looked like Elvis
Am **F**
And in my head there s all these classic cars
C **G**
And outlaw cowboy bands
Am **F** **C** **G**
I always kinda sorta wish I m someone else
A
So gravity came
Dm **G**
And stole the temple that the schoolboys praised
A
And the crowd shuffled in
C
You re getting drinks for the same boys
G **A**
Who once bought you everything

And the patter on the bar
Dm **G**
Was just this one time
A
The patter on the bar
C
Was just this one night
G **F** **G**

Only to get by

Am **F** **C** **G**
And Maria came from Nashville with a suitcase in her hand

Am **F** **C** **G**
I always kinda sorta wished I looked like Elvis

Am **F**
And in my head there s all these classic cars

C **G**
And outlaw cowboy bands

Am **F** **C** **G**
I always kinda sorta wish I m someone else

cheers
