

Misery
The Gaslight Anthem

Misery - The Gaslight Anthem - Here Comes My Man EP
D Standard Tuning (DGCFA D)
Arranged by Jack Cookson (Torn Asunder)

Chords:

Fallon often uses variations of Am, F and G in songs that are also listed below, but it still sounds fine with just the standard shapes.

Am (x02210) or **Am7** (x02213)
Fmaj7 (x33210) or **Fadd9** (xx3213)
G (320033) or **Gsus4** (320013)
C (332010)

First verse:

Am
Step right up
F
Get yourself wrecked
C
Come on whisper my name
G **F** **Am**
I mean, since it s so late

Second verse:

F
A thousand miles away
C
I ll be creeping down your spine
G **Am**
And making you wait
F **G**
Wait, and wait

Chorus:

Am
And I hope you find
F **C**
A handsome young man
G **Am**
Who can love you like I,
F **C**
Baby just like I can
G **Am**

Who will take you out dancing

F C

While you waited me out

G C G C F G

Making good use of the blues you ve found

Third verse:

Am

Go on, light it up

F

Let your hair down

C

You deserve the wee hours

G F G

And the shivers downtown

Fourth verse:

Am

Cus I m waking up

F

And you re stumbling home

C

What, you think I d forget?

G Am G F G

I remember each and every lonesome night alone

Chorus:

Am

And I hope you find

F C

A handsome young man

G Am

Who can love you like I,

F C

Baby just like I can

G Am

Who will take you out dancing

F C

While you waited me out

G C G Am F G

Making good use of the blues you ve found

C

Making misery so proud

Harmonica solo chords: **C, G, Am, F** x2

Bridge:

Am G

And if I saw this much blood

F C

If it was all on your hands

Am G F C

If the pills in my system came to call you up again

C G F

Would you buy me a drink, to calm down

C G F

Would you buy me a drink right now?

Chorus:

Am

And I hope you find

F C

A handsome young man

G Am

Who can love you like I,

F C

Baby just like I can

G Am

Who will take you out dancing

F C

While you waited me out

G Am F C G

Making good use of the blues you ve found

Final chorus:

Am

And I hope you find

F C

a handsome young man

G Am F C

Who can love you like I, baby, just like I can

G Am F C

Who will take you out dancing, while you waited me out

G C G Am
Making good use of the blues you found

F C G Am
Making good use of the blues you found

F C G Am F G
Making good use of the blues in you now

C G Am
Making misery so proud

F C G Am
Making misery so proud

F C G Am
Making misery so proud

F C G C
While you waited me out
