**F#m**

Let it ride, let it ride, let it roll off your mind.

**A**

Don t say a single world, get back inside.

**F#m**

Let me drive, let me drive, disappear in the night,

**E**

like I was a ghost in your dreams.

**F#m**

Let it ride, let it ride, let it roll off your mind.

**A**

Don t say a single world, get back inside.

**F#m**

Let me drive, let me drive, disappear in the night,

**E**

like I was a ghost in your dreams.

**A** fill

And it was all completely wrong, Virginia.

**F#m**

You were much too much for me.

**A** fill

I was a boy on the lawn, with his eyes to the sky.

**E**

You were Garbo, smoke, and deceit.

**A**

And it was Saturday, September, and fire.

**F#m**

It was a backdrop set in your smile.

**A**

It was all I could want in the sway of the song,

**E**

I was haunted for so many years.

**F#m**

Let it ride, let it ride, let it roll off your mind.

**A**

Don't say a single word, get back inside.

**F#m**

Let me drive, let me drive, disappear in the night,

**E**

like I was a ghost in your dreams.

**F#m**

Say goodbye, say goodbye, give a kiss and a sigh.

**A**

Never, never, never bring me back to your mind.

**F#m**

Let me slide, let me slide, roll off your mind,

**E**

like I was a movie you'd seen.

**A** fill

And it was all just a crime, Virginia,

**F#m**

let your fire be mercy to me.

**A** fill

I was a boy in your arms, safe in your arms,

**E**

and you swore like a promise to me.

**A**

That I would never, never, never leave your heart.

**F#m**

No I would never, never, never leave your heart.

**A**

But where are you now, I can still feel you now,

**E**

and I hear all your songs in the breeze.

**F#m**

Let it ride, let it ride, let it roll off your mind.

**A**

Don't say a single word, get back inside.

**F#m**

Let me drive, let me drive, disappear in the night,

**E**

like I was a ghost in your dreams.

**F#m**

Say goodbye, say goodbye, give a kiss and a sigh.

**A**

Never, never, never bring me back to your mind.

**F#m**

Let me slide, let me slide, roll off your mind,

**E**

like I was a movie you'd seen.
