**Dm**  
Call up your girlfriends to come out tonight,  
**A**  
I ll call up my best friends to come out tonight  
**A#**  
We ll put on our best shirts, our finest cologne  
**F** **C**  
And we ll turn the Casanova on.  
**Dm**  
Come on out Maria and lose the tragic.  
**A**  
Come on out Maria and we ll show you some magic.

**A#**

Meet on the warm sand and waltz out the twilight,

**F(II)**

**C(II)**

and watch the carnival lights explode.

**F**

**Dm**

We re having a party, everybody s swinging

**Bb**

Tonight won t you come down out of your tower,

**F**

**C**

Don t make me dance all night alone.

**Dm**

I ve seen you from the window around,

**A**

I can t get your perfume memory out.

A# (with some palm muting)

So come on before we get much older,

**F(II)**

**C(II)**

and that can happen any one of these nights.

**Dm**

So before we turn to ghosts on the mist on the sand,

**A**

or fall in line for more conducive plans,

**A#**

See, I never took a shot to the higher minds,

**F(II)**

**C(II)**

**A#**

but I can hold the soft waltz down.

Just pick the A and D strings holding these chords:

**Dm**

**C**

**Bb**

Meet me tonight, let s see what can happen.

Same Chorus Chords:

We re having a party, everybody s swinging

Tonight won t you come down out of your tower,

Don t make me dance all night alone.

We re having a party, everybody s swinging

Tonight won t you come down out of your tower,

Don t make me dance all night alone.

Everybody s shaking like the end of the world,

Because everybody s waiting on the end of the world,

I ain t got a friend, Baby, left in the world,

Don t make me dance all night alone...
