**Bbm**                      **Fm**  
Don t write me no more letters  
**F#**                      **C#**  
My mailbox is full of bombs  
**F#**                      **C#**                      **G#**  
Between you and the kooks on my block  
**Bbm**                      **Fm**  
I don t remember the good times  
**F#**                      **C#**  
I wasn t there and you were kind  
**F#**                      **C#**                      **G#**  
And my wife has some dogs in our yard  
**F#**                      **C#**                      **G#**                      **Bbm**  
And I cannot hold a candle for every pretty girl  
**F#**                      **C#**  
We were strangers many hours  
**G#**  
And I missed you for so long  
**Bbm**                      **G#**  
When we were lions, lovers in combat  
**F#**                      **C# G# F#**  
Faded like your name on those jeans that I burned

**C#**    **G#**  
But I am older now  
**Bbm**                      **F#**  
And we did it when we were young  
**C#**    **G#**  
I am older now  
**Bbm**                      **F#**  
And we did it when we were young

**Bbm**                      **Fm**  
There are no reasons to believe  
**F#**                      **C#**  
I buried my faith in an unmarked plot  
**F#**                      **C#**  
With your heart and your clothes  
**G#**                      **Bbm**                      **Fm**

When I find that I don't feel you or recall

**F# C#**

I'll put your bones out in the yard

**F# C# G#**

Someone else to be called and called by

**F# C# G# Bbm**

And I cannot hold a candle for every pretty girl
