The Getaway Plan

i noticed this song hadn t been tabbed yet but it s sweet as so i thought i d try tab it. it s my first submission so be nice! regular tuning and all that, it d be on a steelstring acoustic..

Verse

E |-----|
B |--2---2---2---2---6---6---4---4--|
G |--4---4-----|
D |--4---4---4---4---8---8---8---8--|
A |-----4---4---7---6---7---6--|
e |--2---1---2---1-----|

^^^ that s the chord sequence, each chord is played seven times

Chorus

E |-----|
B |--2---4---6---4---2---4---6---6--|
G |--4---6---8---6---4---6---8---8--|
D |--4---6---8---6---4---6---8---8--|
A |-----|
e |-----|

((after second set of choruses then play this))

E |-----|
B |--2---4---6---|
G |--4---6---8---|
D |--4---6---8---|
A |-----|
e |-----|

play each chord once and let ring

i think the part behind the solo is similar to the first four chords of the chorus:

E |-----|
B |--2---4---6---4---|
G |--4---6---8---6---|

D|--4----6----8----6---|  
A|-----|  
e|-----|

goodluck!
