The Ghost Inside

Don't forget to put Capo on 3rd fret!

Tempo is about 10 bpm slower than original.

Use Power Chords for Breakdowns.

When you play the Outro a third time, strum each chord only once.

All chords/tabs are relative to capo!

C#m

[Verse]

C#m

Grab a hold of me

B

I've got my arms up

A

Pull me up from this darkness

B

A

It's so hard for me to see light at the end of the tunnel

[Chorus]

C#m

If it's a war you came to see

B

You will never see a waved white flag in front of me

A

I can't end up dead, I won't be misled

B

I'll keep singing this song inside my head

[Verse]

G#m

My feelings rise, on your demise

F#m

Do I have to put your name on this grave?

E

I'll give you one more shot

F#m

G#m

E5

This addiction came like a freight train (oh)

F#m

You're coming off of the rails again

B

A

It's so hard for me to see light at the end of the tunnel

[Chorus] (x2)

C#m

If it's a war you came to see

B

You will never see a waved white flag in front of me

A

I can't end up dead, I won't be misled

B

I'll keep singing this song inside my head

A (Single Strums) **G#m** **F#m**

On a one-way course set for destruction

E5

Full speed ahead

G#m

The time has come for you to start things over

F#m

Hold on

E

C#m

C#m

Full speed ahead

[Outro] (x3)

C#m

B

All my life, I've been waiting for something

A

That never came

B

It never came, But I'm still saying

C#m

B

All my life I've been searching for something

A

To break these chains

B

To break these chains, But I'll keep swinging

C#m
