The Glass Child

F#m

What if I change the things I say

E

so it sounds better in your ears

D

I can tell you exactly

E

what you want to hear

F#m

What if i change the way i dress

E

So it looks better from your view

D

I can pout my lips to fame

C#

Bm / E

and be pretty instead of true

F#m / E / D / C#

Iâ€™ve been trying to stay real

and true and proud of who I am

All those ideals of how to look

Iâ€™ve been trying not to care

F#m / E / D / C#

But Iâ€™m still holding my breath

Iâ€™m still watching every step

Iâ€™m still tip-toeing away

when Iâ€™m getting to ashamed of myself

Bm / E

Ref:

F#m

I donâ€™t want to be your let down

D

Iâ€™m scared like hell Iâ€™m not enough

A

E

I donâ€™t to be your failure anymore

F#m

I donâ€™t want to be your let down

D

Iâ€™m screaming loud without a sound

A

Have to find a way to

E

be the best of me

C#

F#m

Failure scares the hell out of me

F#m / E / D / C#

And the music that they're liking
says nothing about the way
That I am disappearing
so I'll keep it to myself

F#m / E / D / C#

Though I'm mostly quiet
I've got a lot to say
but nothing seems to please you
so I'll keep it to myself

Bm / E

Ref:

F#m

I don't want to be your let down

D

I'm scared like hell I'm not enough

A

E

I don't to be your failure anymore

F#m

I don't want to be your let down

D

I'm screaming loud without a sound

A

Have to find a way to

E

be the best of me

C#

F#m

Failure scares the hell out of me

Mid8:

D

E

If I'm not good enough for you

F#m

Am I not good enough for you?

F#m

Your expectations I can't live up to, no

D

E

I just want to be someone

F#m

To mean something to anyone

F#m

I've got to hurry up to be someone

D **C#**
I am fading can you wake me up

F#m **F#m**
So I can be, all those things that Iâ€™ve been dreaming of

D **C#** **D** / **E**
Iâ€™m the fall, this is the cutting of my wings

F#m
Oh youâ€™re killing my belief

E
to be myself

D **C#**
and if I canâ€™t make my own way I quit

D / **E** / **F#M**
Yeah
