

Angel Face

The Glitter Band

Angel Face

Recorded by The Glitter Band

Requested by Trev

Gerry Shephard played the riff over the first and second lines of each verse.
He played slide guitar on this track and probably had his guitar tuned to open A.
However I have also heard the song played by The Glitter Band in B.

I suggest using power chords throughout with the guitar tuned to standard tuning.

The Riff

```
e|-----|
B|-----|
G|-----2-----|
D|-----|
A|--2s4-----2s4--0-----|
E|-----|
```

Verse 1

N.C. just drums and riff

You re a child of sweet sixteen never made the big town scene

Always loved to stay at home never made it on your own

E G B F

I see your picture

F E D C

what do I see

C D E

The face of an angel

D E

Staring at me staring at me

Chorus

A C

Angel face angel face

F D E

You ve got the cutest angel face

A C F D E

Angel face angel face I m gonna make you my angel face

Verse 2

N.C. just drums and riff

You don t know just what I mean you should be a beauty queen

Got to get you ready fast who knows how long your looks will last

E **G B F**

Look in the mirror

F E D C

Believe that it s true

C D E

The face of an angel

D **E**

Is looking at you looking at you

Chorus

If you require any Golden Oldies please email me at evansongs@blueyonder.co.uk
and I ll put them on this site.
