Key of D

D G A D  
You felt some booming inside your heart  
D G A D  
So you wandered further than we all thought

G D G  
You can't remember how long it's been since home  
D G  
Or how tired your eyes have grown  
D A D  
but you know now it's grace that you've got

D G A D  
You are a Wayfarer's daughter, hon  
D G A D  
And you've got some wild inside your heart

G D G  
And you're lost, dear how long has it been since home  
D G  
You don't care that you're all alone  
D A D  
Cause you know now it's grace that you've got

2:

G D G  
And you shimmer like dust rising from the floor  
D G  
In the house where your kids were born  
D A D  
It's alright cause it's grace that you've got
