Tonight the stars speak of Your infinite love

And it serves to remind me
          C#m          B          A

(Chorus)

```
E          B          C#m          A

How long till Your arms envelope me?
E          B          C#m          A
I cry be my strength when I am weak

So The Glorious Unseen released a new ep with an acoustic version of this song.

It is

much the same but there is another guitar picking stuff too i think and it is as follows:

```
e|-----0-----0-----0--|
B|-----0-----0-----0---|
G|-----|
D|----2-----4-----2-----|
A|--4-----2-----0-----|
E|-----|
```

That is just played behind or it sounds good if you would rather play it. There is

being played a little bit higher but im not sure what it is. Oh and the chords that can go

the new lead part are

```
e|-----|
B|-----|
G|--4-----4-----4-----|
D|--2-----4-----2-----|
A|--4-----2-----|
E|-----|
```

those are just variations of the c#m and the A, and i also play the E like:

```
e|-----|
B|-----|
G|--4-----|
D|--2-----|
A|--2-----|
E|-----|
```

thats just a variation if you would like.
