Quiet Heart
The Go-Betweens

C#   G#   C#   G#   C#   G#   F#   F#

C#   G#
   The heaterâ€™s on
C#   G#
   The windows are thin
C#   G#
   I m trying hard
                     F#   F#
   to keep this warmth in

C#   G#
   I turn to her
C#   G#
   She s sound asleep
C#   G#
   Someplace I don t know

           F#   C#
   Doesn t matter how far you come
                         F#   G#
   You ve always got further to go

C#   G#
   I tried to tell you
C#   G#
   I can only say it when we re apart
C#   G#
   About this storm inside of me
         C#   G#
   And how I miss your quiet
       C#   G#   C#   G#
   Quiet, quiet heart

C#   G#
   Two hours on
C#   G#
   My eyes are open
C#   G#
   There s bad blood
       F#   F#
   between us

C#   G#
   What did I say
C#   G#
   That made you cry?

```
C#              G#
    Our dream won t die

            F#                       C#
    Doesn t matter how far you come
                        F#          G#
    You ve always got further to go

C#             G#
    I tried to tell you
C#                                  G#
    I can only say it when we re apart
C#                      G#
    About this storm inside of me
C#                        G#
    And how I miss your quiet
    C#      G#      C#      C#
    Quiet, quiet heart

C#  G#  C#  G#  C#  G#  C#  G#
C#  G#  C#  G#  C#  G#  C#  G#

C#                   G#
    What is that light
C#                     G#
    that small red light
C#              G#
    Scorpio rising

            F#                       C#
    Doesn t matter how far you come
                        F#          G#
    You ve always got further to go

C#               G#
    I tried to tell you
C#                                    G#
    I can only say it when we re apart
C#                        G#
    About this storm inside of me
        C#              G#
    And how I miss your heart

C#               G#
    I tried to tell her
C#                                    G#
    I can only say it when we re apart
C#                        G#
    About this storm inside of me
        C#              G#
    And how I miss her quiet
    C#      G#      C#      G#
    Quiet, quiet heart
```

```
C#   G#   C#   G#   C#   G#   C#   G#
C#   G#   C#   G#   C#   G#   C#   G#  ...
```
