She's sound asleep  
E B  
Someplace I don't know

A E  
Doesn't matter how far you come  
A B  
You've always got further to go

E B  
I tried to tell you  
E B  
I can only say it when we're apart  
E B  
About this storm inside of me  
E B  
And how I miss your quiet  
E B E B  
Quiet, quiet heart

E B  
Two hours on  
E B  
My eyes are open  
E B  
There's bad blood  
A A  
between us

E B  
What did I say  
E B  
That made you cry?
