(E)

Intro

**E**

Nothing came today

**E**

Nothing will tomorrow

**A** **F#m**

No one took the system

**B**

**D**

Cause the world was out of bounds

**A** **F#m**

Action is a strategy

**B**

**D**

There s just no getting round

**E**

But I would never lose my head tonight

**E**

I would never lose my head tonight

Chorus

**B**

**F#m**

Cause when it s all coming back

**A** **C#m**

Kick-start the motor

**B** **F#m**

Circle the track

**A** **C#m**

Over and over

**B**

Don t plan at all

**C#m G#m**

Cause making it up is so natural

**B**

We don t know for sure

But this is the law

**A**

**F#m**

**E**

We ll never come back here tonight

and so it goes the same as above for the second part

Running out of luck  
Running out of money  
Running for the subway  
Isn t gonna make it girl  
Won t start revolutions  
But we re giving it a whirl

But I would never lose my head tonight  
I would never lose my head tonight

Cause when it s all coming back  
Kick-start the motor  
Circle the track  
Over and over

Don t plan at all  
Cause making it up is so natural  
We don t know for sure  
But this is the law  
We ll never come back here tonight
